

Photography Checklist

Interior Checklist

- () Make all beds & plump cushions
- () Open all blinds and shutters
- () Clear down surfaces such as kitchen, side tables and dining tables
- () Put away all laundry
- () Clear away all toiletries in bathrooms including toothbrushes, towels, shampoos and toilet brush
- () Tidy away loose cables around the house, especially near bedside tables

Click Top Tip

Hallways are a great place to store everything and anything as we dont often shoot them!

Exterior Checklist

- () Hide bins at the front of the property so that they are out of sight
- () Sweep and tidy lawns and front gardens
- () Prepare garden furniture and put out cushions and parasols
- () If possible park your car outside your property and move it when the photographer arrives
- () Remove covers off BBQ's
